

In 2008, **Melinda Weber** began fostering orphans in her home in China. Abby (McCary), a 2 yr old with Down Syndrome, was first and then Ethan, a 9 month old with CP, joined them a year later. As many as 4 children have been in her home at a time, but several, like Abby, have been adopted into loving homes. However, Ethan (11) and now Gabriel (8 yrs old- deaf with limited vision) are facing a lifetime as orphans unless adopted by this loving women they have known as their foster mom for so long.

Melinda is in the process of completing Ethan's adoption as quickly as possible so that she can also adopt Gabriel and bring him home from the orphanage where he was forced to return a year ago (after 4 years in her home) until his adoption is complete. Would you help us bring these boys home to their Mama for good?

YOUR SPONSORSHIP MATTERS!

WILL YOU SPONSOR ME?

On January 11th, we'll be serving Ms. Debbie to help our friends Melinda adopt Ethan & Gabriel in China. Your sponsorship of the McCary's Both Hands project will help fund Melinda's adoption!

Debbie was married to her sweetheart Jack for 50 years when he passed in 2018. She served alongside him in ministry as "Pastor Jack." Jack and Debbie are friends of the McCary family, and have loved their daughter Abby well. Now it will be our privilege to serve Debbie by painting and cleaning up the home she and Jack shared together.
